

Resident/ Business Event Notice – Chelmsford Half Marathon Sunday 5 March 2023

Dear Resident / Business owner

I am writing to notify you of the new Chelmsford Half Marathon, taking place Sunday 5 March 2023. We expect approximately 2,000 runners to take part in this mass participation event.

The event will have a big impact on local and national charities through participant fundraising, as well as supporting local businesses around Chelmsford through increased trade on race day.

Major road and lane closures will be in place to safely facilitate the event and you may be affected by these for a short period of time in the morning/early afternoon. Access will be maintained for emergency vehicles at all times.

*A rolling road closure will operate, therefore closure times may be reduced.

Note there will also be numerous 15 minute holds in place between 08:45 and 11:00 as well as traffic management on Victoria Road and Maldon Road.

The race control room emergency phone line is 07857113387. Please note unless a query relates to an emergency on race day we will not be able to answer your query. We will operate this number from now until race day and we will try to answer queries where possible in advance of the day.

We would like to thank you for your patience for any disruption caused and we would like to invite you to join us in cheering on the participants as they pass your property. If you would like to volunteer at the event, please direct message us on facebook.

Next year the event will take place on 3 March 2024.
