

Resident/ Business Event Notice
Chelmsford Half Marathon
Sunday 3 March 2024

Dear Resident / Business owner

I am writing to notify you of the new Chelmsford Half Marathon, taking place Sunday 5 March 2023. We expect approximately 2,000 runners to take part in this mass participation event.

The event will have a big impact on local and national charities through participant fundraising, as well as supporting local businesses around Chelmsford through increased trade on race day.

Major road and lane closures will be in place to safely facilitate the event and you may be affected by these for a short period of time in the morning/early afternoon. Access will be maintained for emergency vehicles at all times.

The road closures are listed below:

Rolling road closure 08:50-09:25 to include the following:

- Ransomes Way roundabout
- Bishop Hall Lane
- Bishop Hall Lane roundabout
- Rectory Lane from Bishop Hall Lane roundabout to junction with Parkway (both directions)
- Parkway from Rectory Lane to junction with Market roundabout (Southbound / Eastbound)

What is a rolling road closure? A closure will be implemented shortly before the race sets off and the roads will be reopened behind the tail runner. The purpose of the rolling road closure is to improve safety of runners and enable the roads to be fully opened behind the race without delay.
